

Anna Theresa Lyczak

March 31, 1956 - July 25, 2023

Anna Theresa Lyczak, age 67, passed away on July 25, 2023.

She was a very loving mother to Michael and Jennifer. Loving daughter to the late Jozef and Jozefa (Gembala) Dubiel. Beloved wife to the late Richard Lyczak. Dear sister of Stanley Dubiel, Maria (David) Hall, John Dubiel, Christine Dubiel, and the late Jane Dubiel and Marion Dubiel.

She is survived by her children, her loving cats Duncan and Marley, and by many loving nieces and nephews and friends as well as her sister in law Teresa Grafinski.

Anna was the “go to” for everyone whenever they needed something and she was always happy to oblige. She brought such a light to any room she was in and had an infectious positive personality.

The love she had for her family was immeasurable. She truly was an angel in disguise. She became guardian of her sister in law many years ago and has cared for her as if she was her own.

She was the best mother to her children (both human and fur) as well as her “grand kitties”. Her family was her life. She loved playing card games with her siblings, camping and bike riding, and having routine dinner dates with Jenny and Teresa. Anna truly was the best person to be around and she is going to be immensely missed.

“ I am still in shock here. I can't believe you're gone. The day you left this earth, was the day we had plans to get together and work on crafts for Teresa's upcoming pierogi festival. Even though I worked as Teresa's caregiver, you were always there for me, especially through difficult times. You were a great friend and will truly be missed.

“ Anna was a childhood friend of mine. Our parents were friends. We reconnected over the last few years, now I’m so glad we did so. She was a very giving and just a beautiful person inside and out. Her positive cheerful personality was rare and she will be immensely missed by all who knew her. RIP Anna - heaven has gained back its angel! Rejoice with your loved ones again Anna!
