“ On behalf of the Capuchin brothers, I offer my deepest sympathies on the passing of Anna. It is truly humbling to receive memorial donations in honor of Anna's life. Please be assured of the prayers of the brothers for the entire Polak family during this great time of grief. May perpetual light shine upon Anna!

“ Loving..so loving that when I was younger and we were about to go eat that..I thought the restaurant Sign of the Beefcarver was a place for only old people to eat...she just laughed..and 20-30 years later she would still remind me of what I said when I was a younger girl..Grandma..I'd go anywhere you want to the moon and back if that's what you wanted and I wouldn't say "it's just for old people".
