“ Mom, you will always be in my heart and mind. You were the structure needed in the family to keep it on the straight and narrow. You were the person who comforted me thru all my trials and tribulations.. My life is whole because of you. I pray that Blessed mother will comfort you in Eternal life until we all are together again. Peace be with you , Mom..##imported-begin##Jim##imported-end##

*May the Blessed Mother bless your Mother.
She certainly is with all the Angels in Heaven forever. We will remember her as we see the butterfly in the Spring.

“ Mom,

Like a butterfly you are out of your cocoon and flying with the angels. I know you are in a place of total love and peace with all the people you have loved surrounding you and welcoming with loving arms. You tried your hardest to bring joy into the lives of others and you succeeded. You are always in our hearts as your spirit walks within each of us.

I love you,
