“ To Paul, Michael, John and Sue, First let me express my deepest sympathy for the loss of your mother. She was a wonderful woman. I will always have fond memories of both of your parents, dinners at your parents house, and playing around the pump organ in the basement. Please take care Love Debbie##imported-begin##Deborah Howard Michalak##imported-end##

“ I shed some tears this evening when I read that Ann had passed away. I'm sorry for your loss. Ann and my Mother, Gladys, were very close for many years when they lived at Fraserwoods. They used to leave the apartments and start driving and wherever they ended up was fine by them. They loved exploring the area. My Mom died in 1999 and one of the photos she left behind was a Polaroid of Ann watching while Mom sat on a waterbed for the first time. Both of them were laughing and having a great time with that. I have thought often of Ann and wondered how she was doing. In fact earlier this year I approached a woman at a restaurant because I was sure that this lady was Ann - but I was wrong. I hope her passing was peaceful. She is in my prayers.##imported-begin##Toni Przytula##imported-end##

“ Suzie and Kevin,
Paul and Kathy:

Just heard about your Mom on Friday from a member of our church. Friday was a dinner for the homeless. Andrea were expecting to see Kathy and found out about your Mom's passing.

We were away this weekend and couldn't make it to the funeral home this evening.

Our thoughts and prayers go your way. No matter how sudden, or maybe "expected", it's always tough to lose such a close loved one. We'll always remember your Mom's great sense of humor and friendliness.

We will send a donation to the Capuchin's in your Mom's memory.##imported-begin##Mark & Andrea Papcun##imported-end##

“ We are sorry for your loss. We are unable to pay our respects today. We have lost a dear friend (our son's mother-in-law)and intend to spend time with our son and daughter-in law. A trip to the airport is also on the agenda. Our daughter is flying in from California for the funeral. You are in our thoughts.

“ My sympathies to Anna's family. Although I do not know any of her family, I had the pleasure of meeting Anna when she came to physical therapy when she broke her wrist. I remember her telling me she was on a step stool getting oregano from the cupboard to make hamburger soup. When I told Anna that I had never heard of hamburger soup, she told me it was delicious and then brought me in the recipe. I have made her recipe for this several times and always think of Anna when I make it. My prayers are with her family - she was a wonderful woman and a joy to have met.##imported-begin##Vicky Pranger##imported-end##
