“ *I will miss Grandma Sherby very much. I miss being able to call her to ask her how things were "in the old days". I feel very fortunate to have had her so vibrant and sharp her entire life. She was a part of our whole family and involved and interested in everything all of us did. Her presence is missing in our lives now, but she will be ever present in our hearts and memories.##imported-begin##Kim Teipel O'Connor##imported-end##*
