“ Dear Mary, Beth, Edward and family of Anna,

*I just saw the obituary in the Macomb Daily for your Mom. I cannot believe it! I made her pepperoni bread Sunday and called her to talk. I left a message on her answering machine. I thought she might be sleeping or visiting overnight with one of you.*

*I was your mom's roommate at Shelby. Edward I am sorry I didn't get a chance to meet you. Anna did share her family with me and for that I am thankful.*

*Anna was one of the most thoughtful, kind and considerate people I have ever met. I am so blessed to have known her. She was always concerned about me and helped me on several occasions. It was hard to stop her!! She had her own recovery to deal with but was always thinking of others.*

*Anna was so proud of all her family. She talked about you often*

*If you get a chance would you please call (586-752-7748) me or e mail me (dsoborow@hotmail.com) and let me know what happened to her.*

*My sincere condolences go to your entire family. Anna will continue to be in my prayers.*

“ *We would love to extend our condolences to the family of such a lovely women. Upon my visits with my daughter, Jennifer, she would call or come over to see me and invite us to have something to eat. Ann would always make us laugh and I enjoyed her company. She was such a good friend and neighbor to Jennifer and I thank her. Ellie would tell me how Ann made her chicken soup and it was "yummy". Our heart go out to all of you on your loss.*
