“ To the family of Anne. I knew Anne for years through our quilting guild, she was a very nice lady and always willing to help if you needed it. I was sorry to hear of her death and that I could not come as we were out of town. Please accept our sympathy for your loss. We will miss her as well.

Dear Fred, Pat, Bob and Family,

Growing up in Harper Woods was special because of your parents and all of you as neighbors. Your Mom and Dad taught, shared and extended their love and care that only special people can do. Having your Mom and your family as the neighbors next door was a blessing to our family. In faith I know your Mom is now in heaven with your dad and my parents. I bet they are having one of those front lawn parties we knew as kids. They forgot to invite us!!

Love, Mark
