“ *To Doug and Maryann, my deepest sympathy for the loss of your
mom. She will be missed.
When I think of Ann, I think of this perfect woman, that I was
privileged to have in my life for awhile and proud that my girls could
call her "Grandma".
In your sorrow know that your mom is in a beautiful place with the

“ Ann (Ma),

You have been be the best mother (in-law), a daughter (in-law) could ask for. You are as beautiful on the inside as you are on the outside. You blessed us with your graciousness, love and caring heart, and all without judgment. You have always taught your girls (daughters and granddaughters) to live their lives with the same compassion. Over the years, I felt blessed by our relationship - by the joy you showed when I shared good news with you, your compassion for me during difficult times, and your loyal, loving spirit which you shared every time we spoke. I will treasure my wonderful memories of us shopping for and cooking special meals, and then planning our next cooking adventures together. Throughout your life you had the opportunity to see different parts of the east and west coast with great passion to see more. I'm sure your new journey will allow you to enjoy the views with that same enthusiasm. I will always think of you with a smile on my face and pleasant thoughts that you will be watching over all of us, and I will remember to remember that I had the pleasure of knowing and loving the greatest compassionate woman ever!

Love Always,

*Joyce (your other daughter)###imported-begin###Joyce

“ To my sweet Mom. . . our wonderful earthly journey together has now come to an end. You can never imagine what a profound impact you have made in my lifetime! We both knew we had much more than a 'mother-daughter' bond. . our connection was so much deeper and intimate; we individually were a mixture of both of us.

You have taught me how to be gentle yet strong enough to handle whatever life throws at me; you have taught me there are always two sides to every situation and not to be judgmental; you have shown me what real mercy is; you have taught me how to forgive; your entire life has been a living example of all these things!

The last several days we spent together in the hospital are the most precious; I was there to walk you to the gates of paradise - oh how I wish I could have joined you in your journey!! We both know we will be together again - what a day that will be!

Your chains are gone!! You've been set free!!

Love eternally, Mary Ann##imported-begin##Mary Ann
