“ So sorry to Anthony's brothers and sister to hear about his passing. I have lost a brother to suicide, so I know the grief runs deep. And so sorry to my dear cousin Sema, please know that you are in my heart, thoughts and prayers. At one point we were all closer, but thru time, our families have become distant, but I have not forgotten. I do remember Anthony's smile and his laugh; he could make a room full of people smile with him. I will treasure the memories, however few they may be, which will last forever. Anthony can now have peace and comfort.
