“ So many fond memories Tony. Just found out about your passing when i was back home in Michigan for Christmas and I am still crushed. I would always make sure to stop at Pronto when. I'd go home in hopes of seeing you. You were one of the brightest stars and one of the best people I have had the privilege of knowing and I will always hold a special place for you in my heart. Much love to you now and forever.

“ To the family of Anthony: The one thing that we fear is someone dying young in our family. I'm sorry for your loss and I know it hurts deeply. I have experienced that before. The one thing I do is go to the bible and rely on that only hope we have in the book of Isaiah 25:8 where it promises death will be swallowed up. Please read and I hope that you're comforted by it.

“ TONY!!!! My voice of reasoning! You were a beautiful soul! I wish I would have kept close to you, I guess our friendship kinda went its way somewhere in there. That's MY fault. Then I got caught up and you knew it. I wish I listened to you. I just wish I could thank you somehow but youre gone!!! I'm better now Tony. I pulled it together! Man, its not fair that you're gone, its not fair we don't get more time with you. You were loved by so many and left a peice of you in our heart's. Miss you man.

“ Dear Leonard and Nancy,

Sorry to read about Tony. Its sad to see someone with so much to look forward have to and so young have to pass. Despite the pain take comfort in the kind hearted person he was and the hope of seeing him again (John 5:28,29). In a world free of sickness, pain and death (Revelation 21:3,4). Their Tony can reach his full potential. Now thats a time to look forward to.

“ I was in shock to hear of Tony's passing. He was always so nice to me, he could be with a group of close friends and when he saw me, he would make a point to stop and say hello. One of my best memories of him, was when he got left at a club and I had to drive him home to Romulus. He was a great guy...and will be truly missed by many. I can only hope that he has found peace and is without suffering as he surely deserves both.

“ I'M FREE

*Don't grieve for me, for now I'm free
I'm following the path God has chosen for me.
I took His hand when I heard him call;
I turned my back and left it all.*

*I could not stay another day,
To laugh, to love, to work or play.
Tasks left undone must stay that way;
I've now found peace at the end of day.*

*If my parting has left a void,
Then fill it with remembered joys.
A friendship shared, a laugh, a kiss;
Oh yes, these things, I too will miss.
Be not burdened with times of sorrow
Look for the sunshine of tomorrow.*

*My life's been full, I savored much;
Good friends, good times, a loved ones touch.
Perhaps my time seems all to brief;
Don't lengthen your pain with undue grief.
Lift up your heart and peace to thee,
God wanted me now
He set me free !!!*

My Dearest Tony,

My eyes WELLED UP IN TEARS when I read that you had left us, because you were of the sweetest and most genuine men I knew- Especially who was my age... There is simply VERY FEW people who are as sweet, warm, and kind as you really truly are!!! ;-)
You truly had 1 of the BIGGEST HEARTS I've ever known, and I remember the very 1st time I had ever met you (like it was just yesterday)... You made this shy & timid "country boy" (as you called me) feel more comfortable when I 1st came to the big huge city way of life, and I also remember we had IMMEDIATELY taken to each other and we both always enjoyed sharing in each other's company!!! ;-)
I want you to know how I will NEVER-EVER forget you, your HUGE HEART, or your EXTREMELY BEAUTIFUL SOUL..... I wish for you to R.I.P. my dear friend, and also do me a favor and say "Hello" to my younger sister and let her know how much I Love & Miss Her when you completely your journey to your final resting place in the comfort of the Almighty's hands, comfort, peace, and serenity (I will ALWAYS MISS YOU- BOTH)...R.I.P., you deserve it Tony (HUGS)!!!! ;-)

This video/song (below) is ABSOLUTELY PERFECT for you.....

My heart goes out to his family and loved ones because word cannot describe the what you must be going through right now...just take joy in the fact that he's not suffering anymore and that the lord called him home to be at peace. Tony, I don't know where to start, you have been my best friend since we were 13 yrs old, Now your 28 and your gone. I am the luckiest person to have had you in my life for 15 yrs, We went thru everything together, you had the biggest heart of any person I know, I could always count on you no matter what. I am truly blessed to have had you in my life and that my kids got to have you in there life, they will never forget Uncle Tony!! My days go bye and it's only been day 2 since you've been gone and I don't know how I'm going to get thru the rest of my days, I wanna call you just to hear your voice. I go to grandmas and look over at your mom and dads house waiting for you to run across 13 mile screaming my name like you used to when we were younger. Thank you tony for everything you did, you will never be forgotten honey, I promise you will live on in each and every memory we had. This is not good bye, this is just Until we meet again in that big blue sky!! <3 I also wanted to say Tony has a wonderful family a loving Mother and Father and Wonderful Brother and Sister, Thank you for letting me say good bye to him and hold his hand as he went on to his next step in life. You guys treated me like another part of the family, you always have, Thank You very much. I love you all.
