

Anthony Joseph Nicosia

November 3, 2007 - May 31, 2024

Anthony J. Nicosia was born on November 3, 2007 in Rochester Michigan to Michael and Kieran Nicosia. Anthony passed away on May 31, 2024 at his home in Macomb Township at the age of 16.

Anthony had a keen mind and his interests were varied. He was incredibly interested in engineering. This interest was evident in his love of all things Lego as well as combat robotics. Anthony also loved gaming. He would spend hours on end gaming with his Uncle Tim on his X-Box. He was a 16 year old living beyond his years and this was most pronounced in his love of 90's gangster rap. Too Short and Eazy E...they were always on his playlist. He would often send a text of a music video to his dad asking if he'd ever seen this before, to which his dad would text back, 'Yeah...when I was 13". Anthony was a political pundit. He loved to debate others and challenge them on their beliefs. Anthony loved to debate so much so that he would often take the other side of an argument or issue even if he believed in it. He did this to challenge those that he was talking to. Above all of these things Anthony loved his sister Avery passing along his love of Legos as well as being her number 1 fan while she was pitching in her softball games.

He is the beloved son of Michael and Kieran Nicosia. Loving brother of Avery. Dearest grandson of Betsy and the late Andrew Nicosia and Kimberly McMurray. Dear nephew of Tim McMurray and Andrea (Ryan) Larrison. Dear

cousin of Blake Banish. Anthony will be deeply missed and lovingly remembered by all who knew him. Funeral services will remain private for Anthony.

“ I am so very sorry to hear of the loss of Anthony. As a second grader, he was a bright (so, so bright), inquisitive, thoughtful, and kind boy. I LOVED teaching him in my classroom, the soft spoken but so very full of thoughts and ideas young learner that he was. I was blessed to have both him and his sister Avery in 2nd grade, and will always remember him. Sending hugs and prayers to his family during this time.

“ I will always remember my summer days with Anthony at day camp. He was absolutely adored by the staff there, and we loved the bond he had with his sister. I vividly remember a specific informational book full of pictures of animals. He loved reading it to us, surprising us with facts, and really pushing us to our limited by asking us to draw his favorite animals for him!! He used to put his hands to his face I’m excitement once we gave him a drawing, and would declare it “so cute.”

“ My heart goes out to the entire Nicosia family. I adored having Avery in my class last year and reading the countless stories she wrote about her brother. She was his biggest fan as much as he was hers. I was so lucky to get to meet Anthony and see for myself why she loved him so much. His witty humor was captivating and it's easy to see why he was so fiercely loved. I admire Kieran for advocating for her children and showing how amazing they are. You are all in my thoughts and prayers during this difficult time. Praying the memories can help heal the pain of losing someone as amazing as Anthony.

“ So grateful for Anthony on my path as a paraprofessional in his preschool! Even then he was astute & articulate... could debate (or exhaust lol) most anyone who chose to challenge him! 😊
I loved his sense of humor & commitment to his own agenda! I cherish those early years of knowing him ❤️

“ Anthony,
You were one of a kind. No kid your age could make me laugh like you (even though I was usually the butt end of the joke). I promise I really do drive better in real life than I did on your car video games. Your courage and attitude was an inspiration to all who knew and loved you. Rest easy young man.
