

## Anthony Pacitto

February 10, 1963 - November 22, 2024

Anthony Pacitto of Robinson, Texas passed away on November 22, 2024 at the age of 61. Anthony was born on February 10, 1963 in Detroit to Angelo and Josephine Pacitto.

Anthony Pacitto was a man of many talents, He was an avid reader most times finishing a book before those around him even knew he had started. He had a passion for music, was a talented musician and a classically trained pianist. As a man of great Faith he shared his gift as a member of the Worship Group at Macomb Christian Church. Anthony loved to make others laugh, whether it was a joke or story that he could only tell with such luster and vibrancy. He was the person the nieces and nephews wanted to sit around with at a gathering table, because he brought life and laughter to any conversation. He was quick to use his sense of humor to bring others closer and to make friends quickly. Anthony loved to work, he thrived on business with an entrepreneurial spirit and heart. He was a partner in founding Shelby Enterprises, A-Z Packaging and Bud & Tony's Truck Parts. In an era where we communicate through texts Anthony remained traditional - sending heartfelt Thank You letters to family and friends for their kind gestures or just the pleasure of their company. As a lover of the simpler life, he passionately wrote in his journals daily as love letters to his children. He knew the importance this would be for them one day, to understand the man he was and the deep love he had for them. Above all Anthony's wife and children meant everything to

him and he loved to keep them close and have the house filled with love and laughter. His kids were his pride and joy, they were his everyday calls and messages, they were his heart.

Beloved husband of Susan. Loving father of Alexandra (Joseph) Hallendy, the late Gina Pacitto, and Sabrina Pacitto and Maxwell Pacitto. Dear brother of Adele (Allen) Demchik and Angelo (Roseanne) Pacitto. Visitation Friday 2-8 PM at the Wasik Funeral Home, Inc. 49150 Schoenherr Rd. (n. of 22 Mile Rd.), Shelby Twp. “ I met Anthony just a few years ago when he came to Time Mfg. In Waco, TX as a consultant. It did not take long for Anthony's talents, tenacity, and get it done wisdom to have an impact. He was hired and he and Susi moved to Waco and he quickly became a dear friend and critical coworker. Anthony blessed me everyday as our common goals and visions moved us forward as a company. Anthony was a man that knew how to live, how to fight and eventually knew how to die. He blessed me and I am lucky to have known him, and to see how a man celebrates life, family and friends. I loved how he loved so much in this life including playing the piano. Wow what a man and we rejoice with him being pain free with Our Savior. I'll miss him! Jay Jeffrey

“ My sincere condolences to the Pacitto family during this difficult time. I first met Anthony when we worked together at DiCarlo's Produce in our teens. While my friendship with his brother Angelo grew stronger, Anthony became another brother to me as well. The fun and laughter we shared, not only while working together, but at his parents' house as well, will always remain some of the best memories of my life. Anthony's talent as a musician and singer was amazing and I could stand at the side of his keyboards to watch him play for hours. I'm sorry we didn't have the chance to chat before you left us, but I hope you are now resting in peace. Until we meet again...keep singing my friend.

“ My condolences to the entire Pacitto family. The world has lost a great man! I grew up with Anthony and fondly remember our first band when we were teenagers (3PM) Pacitto Pacitto Paratore and May. I remember when we started Anthony was still playing accordion, then bought his first keyboard. He always had an incredible voice. I am so glad that he made such beautiful legacy (his family) Peace to you my friend and all who mourn your passing. May Jesus Christ open his arms and say job well done my friend. Until we meet again!
