“ I grew up north door to Tony and his family. He was always smiling and telling jokes. I am shocked to hear of his passing. He was a kind soul.

“ Tony, I am missing you so much. Your bad jokes and goofy smile always made my day. You are more like a brother to me and I will miss you until I see you on the other side. Pick out a good fishing spot for us. I love you brother.

Love, Kev

“ Tony my heart is broken. I have so many memories with you. You stood up in my wedding and since then we have been friends even though you said we were like brother and sister. I will miss all your history stories that you shared with me. You were an Uncle to Stephanie and Joshua. The awesome New Years Eve times at my house with tons of food. Especially crab and prime rib..... Enjoy being with your parents, sister and Custer d dog! Prayers to the rest of your family! xoxox
