“ Tony is a rare person that I'm happy to have known. While working at Stellar Ind. he always had a positive outlook and a smile that made work more enjoyable. We had some good times together and it saddens me to know he's left us. I will raise a glass in his honor knowing he's still smiling. Rest in peace my friend.##imported-begin##Bob Beauvais##imported-end##

“ Tony and I were friends and classmates since Mrs. Hare's kindergarten class at McGregor through Denby High School. We also attended sunday school classes together at Mt. Hope Methodist Church. I have alot of great memories of Tony through all those years. My thoughts and prayers go out to his family and anyone whose life Tony touched.###imported-begin##Lauri Farmer Toscano###imported-end##

“ Tony was a great guy. I worked with him at Stellar Industries where the atmosphere was more like family, and Tony was a significant member of the Family. He had a great personality and an even better sense of humor. He will be missed. I wish his family my sincerest condolences and peace during this difficult time.###imported-begin##Mark Ashman###imported-end##
