“ Dear Marty and Justin  
Those of us who were fortunate enough to have Tony as a friend, will truly never forget him. He was so full of life and love, especially for the two of you. There was never a time that somehow, in our conversation he would always mention his profound love and how blessed he was for you, both. So proud, was he of you. He will for ever smile down on the rest of us, and glow on you. GOD bless you. And thank you, for sharing him with us-- his Classmate of 1964.
