“ I just found out that Tony passed last year. She was my friend from high school and long after. We also worked together downtown at the insurance company of north America and were friends long after that. We lost track of each other after we had children. I feel so bad she passed. Sending prayers to her family. Gerry McNeill

“ Toni was such a sweet person that touched so many lives. She always had a warm smile and was so funny to work with at Parisian. I was always so glad to see her at her counter when I opened or closed because I knew it would be a fun morning or night! I have great memories of her parties at her condo at Christmas. RIP Toni, heaven gained an angel.

I am so happy to have known Toni and it was a pleasure to take care of her while she resided at Shelby Comfort Care❤️ She was one of a kind with her funny facial expressions and her funny one liner jokes She was a kind soul who certainly loved her family and loved her coffee and had a good taste for red wine. She will surely be missed by all who knew and loved her❤️

Tony and I became quick friends when Detroit changed the district boundary lines. I had attended Marquette Elementary and would have gone to Finney High.. But when the bounties were changed I was sent to Columbia for 9th grade then on to Denby. I knew only a couple of students but was quickly befriended by Toni, Louise Holden, Nancy, Mary Jean Forth, the and Toni, many fun time in school

“ *I will never forget the day I met Toni at Hudson's /Macy's Eastland. I was there working for the Lancome gift with purchase event and she and Alice Ogle took me under their wings and made me feel right at home in the store. Toni was at the Lauder counter always smiling, sassy and dressed to the nines!!! Sending heartfelt condolences to her family - may she rest in peace smiling and dancing with the angels!*

“ Toni was one of the first friends I made when I started working at Carson’s (then Parisian) cosmetics. She was sitting next to me the first day I was in training and was so friendly to me and put me nerves at ease- I was only 24 at the time. Over the next 8 years working with Toni, we shared so many memories- good times and hard times! She was at my wedding, she was at my baby shower, but more importantly- she was always there in between, in the non eventful times...to lend an ear. To grab lunch or a drink with. To make me laugh hysterically. To just be a friend. I will never forget Toni, my “little Greekie”. I am better to have had her in my life! I’ll be doing a shot of Ouzo soon in her honor, as we did several times together. Toni was truly a beautiful person, and an absolute gem. All my love to Andrea and family.
