“ To my Mother,

*God saw you getting tired and a cure was not to be, so He put His arms around you and whispered come live with me. With tearful eyes we watched you suffer and saw you fading away, we loved you dearly, we could not make you stay. A heart stops beating, your hardworking hands put to rest, God broke our hearts to prove to us, He only takes the best. God will love you and keep you until we meet someday.*

*You were always in my heart, You were my Mother and rest in peace with TATA. Love Theresa###imported-begin###Theresa Brabant###imported-end##*

“ To the Family of the Late Antonina Slawinski,

May the Lord comfort you during this very difficult time. Mrs. Slawinski lived a long and dutiful life raising up good children. Although I did not have the pleasure of meeting here, it hurt to hear of her passing. Bill, be strong, know that she gave you all the tools you needed as you go on in life. May the Lord bless you and keep... That is my prayer.###imported-begin##Robert and Rosalyn Tyner & Family###imported-end##
