“ *God be with you all during this very sad time. Uncle Archie will be missed very much and as far away as the great white North. He was a very special person with a big heart and a lot of class. It is unfortunate that we cannot be there with you - we are with you in spirit and in prayer. With love, your cousins: Lucie, Elliot and Michael

“ *I pray for you all in this time of sadness. I hold dear and fond memories of Archille. He was a true gentleman and a wonderful husband for my dear sister. I send you my love and I wish I could be with you all (at my age it's difficult to travel that far this time of year). I would be there for sure if it were summer but the weather up here is still cold with freezing rain. With love, from Sudbury (Ontario, Canada)

“ *My deepest sympathies to the family. Your father was such a gentle soul and a kindred spirit filled with love for family and friends. When I received the news of his passing to heaven, my immediate thought was of when he was visiting at my parents' home and had told me I made the best lemon meringue pie he ever ate. (I think he said that to make me feel great since I was just 14 years old). Come to think of it, he did eat three pieces of pie... I will miss him dearly. So now, he is with his beloved Irene enjoying a new adventure in heaven. May God bless you during this time of loss. Celebrate his life and love and hold onto the beautiful memories of your father and mother. Know that they are still loved, cherished and admired by many. Please excuse my absence. I had planned on attending the viewing with Bob and Sharon but I have to tend to a family matter. I love you all. Your cousin, H el ene Carri ere##imported-begin##H el ene Carri ere##imported-end##*

“ When I heard about your dad's passing, I was immediately
reminded of all the times he brought you to Sudbury to visit our
family and how he warmly greeted me when I worked in the
Windsor area quite a few years ago. He made such a huge
contribution to all of us and to your community. He will be missed by
many. Our warmest thoughts are with your family at this difficult
time. Praying for you and for your family members as it is
impossible for us to be with you at this time. Philippe & Denise
