I couldn't have asked for a more wonderful mother-in-law who treated me as if I was one of her daughters. Thank you for raising this great man I married.Thank you for being a wonderful mother, grandmother and friend. We love you and miss you deeply but I have faith we will be together again with The Lord.

“ To the Skupny family; Please know how sorry I am for your loss of Arlene. May each day become more endurable than the last and know that the memories you have of her kindness can rubb off on all. She reminds me of a scripture at Ecclesiastes 7:1 " A name is better than good oil and the day of death than the day of one's being born." May we imitate her kindness and have a good name.

Words cannot express the pain the Skupny family is feeling for their loss of the most wonderful woman in their lives Just being there for them in their time of need now and after the funeral is what they will need. Keep thinking of all the good times and may God guide you back into the light when you start to feel the darkness that sometimes death can bring. You are all in my thoughts and prayers.

“ My memories go back to the very first time we spoke on the phone. Our children had run off to get married and we had felt the same hurt together. Since then, I feel we have become very good friends. You were there when my husband passed away and helped me get through my sorrows. I will never forget you Arlene! You will always remain in my heart and in my prayers.
