In loving memory of Arlene "Carla" Touzi, a remarkable woman whose life was filled with love and cherished moments. Born on June 24, 1959, in Mount Clemens, Michigan to Albert and Patricia Ash, she touched the hearts of all who knew her. On June 29, 2023, at the age of 64, Carla passed away, leaving behind a legacy that will forever be treasured.

Carla was a beacon of love and warmth, a devoted daughter to Patricia and the late Albert. She embraced the joy of motherhood, raising her beloved daughters Stephanie (Andrew) and Kelly (Mike) with boundless affection. Her role as a loving grandmother to Chace, Robert, Olivia, Asher, and Scarlett brought immeasurable joy to her life.

“ What is success?

“To laugh often and much; to win the respect of intelligent people and the affection of children; to earn the appreciation of honest critics and endure the betrayal of false friends; to appreciate the beauty; to find the best in others; to leave the world a bit better, whether by a healthy child, a garden patch Or a redeemed social condition; to know even one life has breathed easier because you have lived. This is to have succeeded!”

Ralph Waldo Emerson

I am in such shock learning of Arlene passing. We were going to try to get together this fall. It was awesome to reconnect after so many years. We went to Jack Harvey together and graduated High School. I remember going to her house after school, such a sweet person I will always always remember our laughs. Prayers for her family. If she was sick I had no idea. Patty Wesson - Willis

To the family of Arlene: I worked with Arlene for the past 15 years and she is such a vibrant and intelligent person! We always enjoyed a good laugh along the way when we were working so hard which made her delightful to work with!

She was exceptionally responsive and so helpful in educating me on what I needed to know without ever making me feel like I was lacking in any way.

I wish all of you nothing but peace and am hopeful that each day can bring a smile to your face as you say her name and remember fun stories with her. I also send my prayers for God's grace to bless you all and allow the healing to begin. Sad to say that your lives are forever changed but what a gift to have such a wonderful person to share your journey with.
