

## Armando "Mundy" DeNardis

December 5, 1927 - October 31, 2020

Armando "Mundy" DeNardis passed away peacefully on October 31, 2020 at his daughter's home with his family by his side after a wonderful life of 92 years full of great accomplishments. He was born December 5, 1927 in Detroit, Michigan.

His family felt fortunate that he could spend this summer and fall with them at their home in Brighton overlooking the lake. He enjoyed his last months with many great moments and able to walk almost till the end.

He loved to spend time at his Rose Lake forest property. He enjoyed cutting down trees, being outdoors there and especially sitting by the campfire. He like to play cards, especially pinnacle. He was always on time, which meant being early, for everything. He retired from Chrysler Corporation in 1992 after 47 years working as an electrician and was a U.S. Army Veteran. Although currently living in Brighton he was a longtime resident of Warren for 60 years.

Mundy's family was very important to him and he was able to spend time with most of them even with the COVID 19 restrictions in place. He is now at peace with his wife, Frances and daughter, Gina as well as all his loved ones who have passed on before him. Remember his unusual sense of humor and his hard working ethics.

Armando was the beloved husband of the late Frances for 55 years. Loving father of James (Cynthia), Lisa (Charlie) Izant and the late Gina Burke. Dear grandfather of Jason (Becky) Burke, Jaclyn Burke, Nickolas (Andrea) DeNardis, Anthony (Leslie) DeNardis and great grandfather of Isabelle and Abigail Burke; Cecilia and Angelo DeNardis; and Roman and Arlo DeNardis. Brother of Dora (the late Joe) Sirianni, the late Alfred "Freddy" DeNardis and brother in law of Minnie DeNardis.

Visitation for Mundy will be Wednesday 2-8 p.m. with a 6 p.m. Funeral Service (THAT WILL BE LIVE STREAMED ON OUR WEBSITE) at the Wasik Funeral Home, Inc., 11470 Thirteen Mile Road (west of Hoover) Warren. A Final Farewell will be Thursday 11 a.m. at the funeral home with a procession to Mt. Olivet Cemetery for the committal service.

Please keep the DeNardis family in your thoughts and prayers.

“ *Uncle, aside from having his quick phrases, gave me a great bit of advice. I use it almost everyday in my life. He said if you ever have to ask someone to do something or correct them first give them a compliment. He says you build them up, do it honestly because you are working together. Then ask them what you need to. This is great advice.*

*I watched the 6pm service and enjoyed Lisa, Nick, and Jason. You all did such a great job celebrating His life! I am sorry to have missed seeing you all and reminiscing uncles life. Yes, he taught us all something that we will carry on and pass from generation to generation! He was a great man!!!*

“ My uncle Mundy was a good roll model as I was growing up. He instilled hard work, being a man of your word and above all taking care of your family.

*I enjoyed the the times he and aunt Fran came to our farm with my cousins Gina, jimmy and Lisa. We always had a good time. i remember when he just got a new camper trailer and wanted to practice maneuvering it safely before the family went on vacation. I remember him backing up, testing all the appliances and then camped at our farm.*

*He would often talk about his Chrysler work experience as an electrician. His work in the factory was tough and had to deal with difficult people when he became a supervisor.*

*The last time we spent a significant time together was when he and aunt Fran accompanied us on a Seattle to San Francisco vacation. It was a lot of fun. Uncle Mundy always seemed to find something wrong with the room and managed to get a discount. One time he managed to get discount plus a buffet breakfast for both of us because the fire alarm went off twice that night, causing us to go out to the parking lot in the middle of the night.*

*He enjoy all family functions and was very generous with his time and talent as an electrician, No one escaped his ribald jokes he loved to tell.*

*Rest in peace as you join Aunt Fran and Gina.*

“ I moved into my first house in 2012 on Los Olas Dr. in Warren, one house south and across the street from Mundy. He gave me some pointers on being a new home owner, shared some of his yard tools and garbage bins until I could get my own, and kept an eye on the neighborhood when myself or the other neighbors were away. I enjoyed hearing about his life experiences and missed those conversations when he moved away. He lived a full life and I am thankful he was my neighbor. Prayers for Mundy and his family.
