“ Life was cut too short for such a nice man. Always in a good mood and made everyone around him laugh. I miss the days of having a drink at The Filling Station (or as he called it "World Headquarters") or in my living room. Lots of good times. "See ya kid!"-Bill Peters

“ *To Artie's family: I worked with Artie at Town Village. He always had a huge smile and would say, "Well hello, Linda!" in a booming voice whenever he saw me. Everyone loved him and he was so good to the residents. He brightened up any room that he walked into. We all miss him, and I am so sad and sorry for your loss.*

“ *My condolences: My daughter just graduated from New Haven High School, and I was showing her a picture of the only person I knew from NHH. It was Arthur. We went to school together in Romeo, and played in the band together. We were good friends at the time, then he moved away. I never knew what happened to Arthur until I saw his picture from the class of 69. Sorry for your loss. Old classmate, Ken Ellis* ”

“ *My deepest sympathies to the Harms family. May you find comfort in the wonderful memories you've shared together and in the "God of all comfort, who comforts us in our tribulation."(2Corinthians 1:3,4)The promise at Revelation 21:3,4 brings great comfort, it says that soon God will wipe every tear from our eyes and death, mourning, and pain will be no more. This is true comfort and we are also assured that we will be able to see our dear loved ones again. (John 5:28,29; Psalm 37:11) I hope these wonderful promises brings you comfort and brightens your day at this very sad time. Sincerely, Glenda Hawkins*
