“ *Art and Lottie always welcomed us as teenagers in their home. They were a wonderful example to all of us when we spent time with them. We shared many fond memories and both are sadly missed. How wonderful that they are now united with the Lord in Heaven. My sincere condolences to their family. Nancy*

“ Friends, Wanted to offer my prayers and thoughts to all of you at the death of Art: dad, grandpa and friend. He and your Mom were special people to me while at Q of A. They were always involved with so much, so supportive, friendly and kind, and they loved their family so much. Always liked when Art lectored . He always had funny things to say, always positive and proud to serve the parish this way. Our faith reassures us that they are now both together in God's loving presence, rewarded now for the good life they led and gave to so many of us. Eternal rest to them both and God's blessings on all of you.

“ Art and Lottie were good friends of my parents, Ignatius and Lottie Rakoczy. My dad and Art were involved in the Boy Scouts for many years. He was always friendly and a real gentleman. May he rest in Christ's peace.

“ *Mr. Jozefczyk was a faithful parishioner who gave 100% plus in everything he did. My Dad and him, with a group of "the guys" kept the Boy Scouts together at Q of A. My Dad would tell me stories of the great meals they had camping with the Boy Scouts and the fantastic times enjoyed by all. He was a great mentor for me as a lector at Mass. He was always organized, understanding and great example of faith. Any group at Q of A he belonged to, he always was there to contribute with a big smile. There are so many fond memories I have and my family has of him. Now you can play cards with the old Boy Scout group in heaven!*
With much love and respect, Janice Rakoczy

“ Our deepest and most sincere condolences to our cousins, Marlene, Elaine, Ken, Paul and their families on the loss of a truly great man. Your Dad, my uncle, was a great son, brother, husband, father, grandfather and friend to many. He always exemplified those traits we all seek to achieve; honesty, integrity, dignity, compassion and Christian values. In the practice of his profession he was an inspiration and role model in my development. To the patients entrusted to him he was responsive, respectful, courteous and genuine, truly remarkable. He was a mentor to many, yet seemingly unaware to himself that he helped so many.

Uncle Art, you will always be in our hearts, please know that you leave us a truly magnificent legacy which will never be forgotten. Now you return to our Heavenly Father, Rest In Peace knowing that you will always be remembered by those of us you leave behind.
