“ Uncle Art was always so kind, always sweet and always smiling. I'm so glad he was able to come out to my house with Rick last year to see my horses He really enjoyed it and so did I. I'm relieved for him that he is now whole again in heaven. I will never forget his voice as he said "Hi Babe" and "Bye Babe". One day I will hear that voice again. My love to Aunt Dawn and the family ❤️

“ So much love to the whole family. Art was such a wonderful part of my years at Japhet. He would often take care of things that no one asked him to do, just to make our jobs as teachers easier. And you knew he would take care of whatever you asked him to, even if it wasn't a part of his job. One of my little preschoolers took to calling him "Bumpa" instead of Grandpa like the other kids did, and it has stuck with me in the decades since then. I'm sure his smile is continuing to brighten the lives of whoever surrounds him now.

“ Dawn, this is Greg Schornack, so sorry to hear about Art. What a pleasure it was to work with Art at Arrow Uniform. I enjoyed his smile and work ethic which is still helping me now as I am still working at Arrow. I wish I could have been there but we are away on vacation.
