“ Art was a long time member of the parish of Our Lady Help of Christians in Detroit and a past president of the ushers club. Through his efforts and the efforts of the members of the ushers club the parish became a beautiful place for families to come together in fellowship and to worship and praise God at Holy Mass. Art was truly a man who understood what was important in life, he loved his wife viva, his children and grandchildren, and all of us who were blessed to be called his friends, may God welcome him in to his Heavenly Kingdom and hold each of us in the palm of His hand until we all meet again in Paradise.

“ Art - You were a special person, a good friend and a fellow stamper. For years you collected the tabs from pop and beer cans so that I could take them to Massachusetts as a donation to the Shriners Hospital in Boston. The monies earned bought time on a kidney dialysis machine. It so happens that I am, at the moment, in Massachusetts and just the other day dropped off the more then a gallon of tabs that you helped me collect. Sadly I will not be home to say good by but I want your family to know that my thoughts and prayers are with them. Farewell and God speed on this journey. Someday we will stamp collect together again. Bob Helbig

Art was a long-time family friend, living next door to my In-laws on Gaylord. Art & my husband, Frank, volunteered their time in so many things. At OLHC, they were ushers, festival coordinators, Boy Scout leaders and were faithful members of the St. Joe's Dad's Club. They were dedicated to help those in need, financially or medically. There are so many memories to cherish, they'll hold a special place in my heart.

Art, tell Frank the meeting is adjourned and to open the Christian Brothers and start dealing. Bidding starts at 21!

Love, Jean Kijek

I don't remember when I met Mr. "R" since he lived next to my Busia Kijek. The Rudzinski family was always a part of my life. It simply just was. I have so many memories of the countless acts of charity that were done in all the different organizations that he belonged to with my dad. He was always telling me to "drum-up" workers for the St. Joe's Dad's Club food booth at the State Fair. We always had a good showing from the OLHC teen club. He taught us that volunteering your time isn't always just about hard work & responsibility, but about friendship & sharing. Thank you for being a good role model to the younger generation.

Mr. "R" will be missed by so many people, David & I are included. We both have so many fond memories. David did learn a bit of Polish from him - one of his favorite sayings was: "Co bedzie, to bedzie."
