“ *Art was a super guy, my hunting and fishing partner. We both worked at Argonaut. He retired before I did, but we still continued our friendship hunting, fishing and visiting. Margaret and I moved up to Kalkaska, but we still kept in touch hunting and fishing whenever he was at his summer place in Alden. My best buddy I ever had. I will miss him.*

“ *This family is one of the dearest friends of mine. We go back in friendship over 50 years. I have been a widow over 30 years and spent New Year's Eve with Art & Marga & another couple who were dear friends with them. The company was awesome and a perfect way to exit the old year & enter the new. I love you all. May the wonderful memories eventually bring you peace..**Bev Wolff*

“ Art was a wonderful man. His control of the GM Record drawing storage center in the old Detroit Argonaut Building was meticulous. No matter how old, he always knew where every document was. Friendly, polite, a friendly face. He will be missed. Thomas McComb...
