“ *To the Family of Art Tracy;  
Please accept my deepest sympathy for your loss. Mr. Tracy was my first supervisor when I hired in at Ford Sterling in 1973. What a wonderful person! You could not ask for a better supervisor. A man with an unquestionable work ethic and character. Art Tracy's influence, I am sure, was very instrumental in my success at Ford Motor Company. His desk top cluttered with paperwork and his ash tray full of cigarette butts was a sign of the hard work and the enthusiasm Art had for his job. His expertise in the welding field was well known in the auto industry and many suppliers and engineers came to him for advice. I am so sorry that I just saw this obituary and could not come to pay my respects for Mr Tracy was an honorable man and I am proud to have worked for him and mostly for knowing him. May Art's soul and the souls of all the faithful departed rest in peace. Amen  
Dan Jendza retired Ford Sterling Engineering*
