“ I worked as a lifeguard in Florida, where Art used to swim. He was always so friendly to me and became a wonderful face to see every morning. He always had great stories to tell me and would always ask about my family. I am sorry to hear of his passing. I would send him Christmas cards every year and was worried when I no longer heard back from him. He was such a kind soul and I will miss hearing from him. -Maren Miller-Lynch

“ I will miss my dear friend Art very much on my visits to Florida. He and my Uncle were the best of friends. Art was always there helping my Uncle and being very supportive. He was fun to be around and always had great stories to tell of his trips throughout the world. He enjoyed his two beers at the tiki bar in the American Legion and VFW. He was a wonderful man. He had a keen eye for driving and would never let anything get the best of him. I will treasure my visits with him always! Love you Art! Michele

“ I always enjoyed when Uncle Art came in to town to visit. We would play hillbilly golf or washers together, and he was really good at both. I would tease him that he must have these games in Florida and had been practicing before he came to Michigan. I loved that he would bring me back City Chicken from the Polish Century Club because he knew I liked it as much as he did. He also gave the best hugs and I am going to miss him deeply along with those hugs of his. Augusts will never be the same without him.

Love you Uncle Art. Rest in Peace.
