“ *Uncle Archie was my godfather. I have very fond memories of him coming to visit me at my grandmother's house when I was a child and my family visited Michigan in the summers. I would like to extend the greatest sympathy to Aunt Helen, John and David. I know they will miss him greatly. May God give you peace.* *Cheryl Liberino Roderer*”

“ *Art was a friend and mentor to me. My years of public protection work with ISO would not have been possible without his training and positive outlook. Always a moral, ethical and proud family man who was confident and sure of himself. Farewell to the "Bald Eagle".* *John Shipman*”
