“ *Diane: I will be praying that you will lean on God to help you find the strength to get through this difficult time and that you will find peace in knowing that some day you will see your father again. I believe that God places special friends and family in our lives as a means of Him physically being here for us. Remember that with every hug, kiss, card, phone call, etc. you get from someone during your time of mourning and grief. With heartfelt sympathy, may God bless you.##imported-begin##Julie Schmitz##imported-end##*
