“*Dad, I can't believe that you are not here anymore. My heart is truly broken. I miss you so much. I can't stop crying. I don't know how I'll make it without you. I hope you realized how special you were to me and how much I love you. I know you were suffering here on earth and I am being selfish wanting you to still be here, but I do. I was looking forward to having you move in with me. But I try to find solace in the fact that you are not in pain anymore and are with Mom and David. Until I see you again, I love you!##imported-begin##Patti##imported-end##*
