“ One day, while working with Robin, someone approached the nurses station. We asked if we could help and she said “ that’s my mom” and gave Robin flowers. I hope that’s a moment her mom holds close to her heart. It was wonderful to see the love and happiness between them and a truly beautiful day. ❤️

“ I meant Ashley while at Full Circle and she was my roommate for 4 months. Being around her for almost 14 months I got to really know Ashley... I remember when her Nephew was born and how very excited she was to show him off . She loved looking nice and those fake lashes 🤩 we shared many memories together and my heart just broke when I heard about her passing 🥀 She was one of a kind that is for sure and I'm thankful our paths crossed and I got to meet such a beautiful person inside and out!! My prayers are with all of you

“ As a little girl, I remember her crush on Shawn. Her eyes lit up like stars when she saw him.
Years later I wound up borrowing her bedroom sometimes. I screwed up her TV settings and Bodhi peed on her carpet.
I imagine Ashley with Bodhi now, cuddling her, forgiving her - and Grandma Bolen just shaking her head.
Grandpa Bolen with his hand on Grandma's shoulder.
Patrick, Judy, Aunt Marlene and UJ there too.
Everyone whole, healed - beautiful and blessed.
Family is forever. <3
