“ It was so wonderful for mom, dad, me, and, cooper to spend an afternoon with grandma at shelby crossings in late July!!! MOM, and, I got to give Grandma 2 beautiful roses at her table, while, sharing a meal together. We also ate some really good ice cream too. Cooper was a sweetheart too. When we took Grandma back over to her spot by the television, Cooper kept on kissing, and, licking Grandma on her arms. Grandma loved the attention. And, Cooper was a sweet pooch. Me, and, Mike will always treasure Grandma's love for us throughout our entire lives. Just being there for us meant the world to us. Grandma was always just a phone call away. That was so comforting. We will wish Grandma GOD's speed on her way to heaven. We believe that JESUS will help her find the way. And, finally, we are so proud of your journey Gram through life. And, making it a beautiful trip of 98 year's on earth!!! We will love you, and, miss you forever in our hearts!!! The Schyck family...

Remembering Audrey...

Even though I was no longer a member of the family, Audrey was still in my heart...My Mother-in-Law...remembering our days of Shopping at Crowley 's until it was time to rush home for Terry and Diana to return home from school.

Audrey knew every department by heart, teaching me how to read the "Sale Tags" ! Not only was Audrey a great bargain shopper, she could COOK wonderful meals for the Family Dinner gathering. ...Her bonding with her sister (Shirley) was shown to me that Two Sisters really could LOVE one another !

Many days we spent at Lake Chumug with Grandma Bruster (Mother of Audrey/Shirley) watching Ricky/ Susie water skiing like the pros ...oh yes, the fun will always be in my heart....Audrey, you were Loved, and the memory will always be in my heart....Rest in peace by your Husband (Nick) now...Remembering you always !
