“ *Barb has been a dear friend since our high school days. There are MANY memories I could share but it would fill a book; however, I will tell you that I cherished every single one of them. I know a few of you know of a specific one involving a “teen angel”...and I’ll just leave that there! I’m sending prayers and my heartfelt condolences to the Butler and Paye family. Barb’s absence and friendship will truly be missed by me and my family. Heaven has definitely gained an angel. God Bless!*
In loving memory,
