“ *Sister-in-law Barb. I had known you since 1965 when I immigrated from Germany. No Christmas went by without acknowledging the holidays with a phone call or a card. I remember when you wrote me how proud you were of being a great-grandmother and her name is Maddie. No one notified me of you and lloyds passing. You both rest in peace my friends. Your sister-in-law Angelika Flisnik from Arizona*

“ I am so sorry to hear about the loss of Barb. I called her my Barbie Doll. We became friends many years ago through bowling. I bowled with her and her son Jerry through St. Michael’s Catholic Church for several years. When we both were retired, we bowled in an afternoon league with other retired women. She was a very good bowler. She was my Polish Buddy and had a very kind and loving heart. We always enjoyed bowling and having a good lunch after we bowled. I will remember her for the wonderful friend that she was. A “true blue” friend. She always would refer to me as sweetie when we texted. That I loved! I will miss my loving friend Barb. Rest in Peace my Polish Buddy. God is getting an Angel. My deepest sympathy to Jerry and Sue and their family. God bless all of you. Love and hugs from Shirley.

I am so sorry for the loss of your mother. I always looked forward to seeing her and our conversations about her life. She was a cat lover and we talked about how they had a nice window at her new condo to look out of. She loved her family and shared her photos with me. She was such a beautiful person and I was truly blessed for the time I got to spend with her...she's got her wings...RIP my friend.

“ Barb and I have been friends for 30+ years. We were co-workers at the bank and have remained friends since. I now live in Colorado but come back to Detroit every year to see family and always get together with my dear friends Barb and Brenda. We had great visits and shared stories about family and the "old days". We always parted with a group hug and said we loved each other. I will miss my friend and hope she knows there will be a void in my life. Barb liked to laugh and she shared stories and experiences with us. Rest in peace Barb...I love you my friend.

“ *Knowing you for such a short time will leave a lifelong impression. You're kindness and constant praise, undeniable comedic timing and you always radiated an energy that was unmatched. It is a reminder how precious time is as this came as a complete shock. I know you're resting peaceful and I will think of you often. PS. I didn't know you love National Coney Island, that has always been my favorite. You will be missed ❤️*
