Barbara from the time i was a little kid to grown up had always had a smile on her face and laughing of joy. Barbara had energy to enjoy life and bring good to her family, friends , and herself. Barbara had a light to light up a family party to get together with friends. Barbara is in heaven of love and joyful spirits. Thank you for bringing goodness and joyful spirits to our lives . “ Barbara was a good friend and confidant. We spent many years together, traveling, bingo, partying and sharing happy and sad times. She honored me when she asked me to be her maid of honor when she married Russ Campbell, her second husband, who she loved dearly. She was there when I needed her while taking care of my husband during his illnesses. Although I have lived in Florida for many years we always connected while I was visiting in Michigan. Our friendship has lasted since 1978 but now that she is gone I still have her memory and many great pictures to reflect on. May you rest in peace my dear friend.
