“ We loved Aunt Barbara and wish she could have been given more time...although she did her best to stay with us! We are so proud of her and will look to her for inspiration in times of trouble. She was so strong. We will miss her sense of humor and her intelligence, her calm and pleasant demeanor and her fortitude in times of great pain and stress. She will always be with you, Uncle Mike! Sorry we can't be with you to celebrate her life at the funeral. xxoo##imported-begin##Donna, Tim, Michaella, Owen & Siena Coughlin##imported-end##

“ I will always cherish and remember the fun I had with Barbara exploring new places, trying new things and having a friend. She would be an inspiration to anyone in how strong she dealt with her cancer. Barb was the energizer bunny, not letting her treatments stop her from doing for others. I will always remember her in my heart. My sincere sympathy goes out to her family. She was a remarkable lady.##imported-begin##Sue Jacob##imported-end##

“ I had the wonderful privilege of meeting and working with Barb as a volunteer last year during tax season. She was undergoing chemo at the time and except that she walked a little slow, you would never know it. She never complained (except about the hard chairs), always had a smile and a kind word for everyone, and thoroughly enjoyed her work as a volunteer tax consultant. I am deeply saddened by her passing and my prayers are with her husband, family and friends.##imported-begin##Tina Dluge##imported-end##

“ My thoughts are with you at this sad time. Be strong and find some comfort in knowing her ordeal is over, and she is smiling being held in the arms of her father once again.##imported-begin##Kenneth Mueller##imported-end##
