I am very sad hearing about Barbara. Aunt Barbara was the most gracious, generous and fun loving person I have known. Some of my best memories are staying at the cottage. I can see her standing at the stove asking, who wants French Toast. She made the best. My heart goes out to her family.

*Love,
Debra Briolat*

“ My Aunt Barbara enjoyed life and people. She was the type of person who might not have seen you for sometime yet you felt loved the minute you reconnected. She had a key role in my mom’s side of the family. Everyone went to Aunt Barbara. She was my mom’s best friend. They talked often and at length. Perhaps no one understood her better. She was very active in my life growing up and made sure she stayed connected with us when mom died, this is especially true with uncle Mike. We say he was the son they never had. While Debbie and I are sad I ask that you pray for him. This is a big loss for him.
Thanks again

“ Barb and I worked at Harper Grace hospital together. She was my executive secretary, there was nothing she wouldn't do to make surgical services shine! Her energy, organization, laughter and friendship always touched all of the staff and doctors. My sympathies to her family, rest in peace Barb.

I had the opportunity to reconnect with Barb through my daughter and son in law. We talked about our struggles at Harper Grace and later at the DMC. Her energy, smile and devotion will never be forgotten by the people she touched. God bless!
