“ Mommy, I was not ready for you to go. You were my best friend. To say I’m going to miss you is an understatement. I will hold you in my heart forever. We had a bond that could never be broken. You taught me so much and those lessons made me the woman I am today. You were the rock of our family. Now it’s up to us kids. Give daddy a big hug and kiss for me. I’m happy that you two are together once more. Love, your baby girl.
