“ *Barb, I am in shock and will forever remember the good times we had at the Diagnostic Imaging Department on Garfield and at the hospital... I will never forget the time we went to have lunch at Bangkok Cuisine and I couldn't eat it cause I felt sick. You teased me and said ahh you must be pregnant....so we got back from lunch And you ran into the pharmacy and made me take a preg test and it was positive. I sat in the bathroom at work for half hour crying and in shock. You assured me I would be fine and convinced me I was a pro being it would be my 3rd child. Lol....you were a beautiful woman and a great friend. I still have my foot file you got me and still works like a pro. You always had the best hand lotion from crabtree.... in the bronze tube. Lol!!! Til we meet again friend. May you rest in peace. 🙏❤️*

Those were the best memories! We had so much fun at that office. I rotated in ultra sound with Barb- she was my mentor. I am truly shocked and saddened to hear of her passing. May she Rest In Peace and prayers to her family and friends*
