

## Barb E. Saleh

July 4, 1963 - February 6, 2023

It's with a heavy heart that we let you know of the unexpected passing of Barb (Yoder) Saleh. Barb was 59 when she left us very early Monday morning, February 6th. She is survived by her loving husband Tony Saleh, son Anthony Saleh, daughter Christina Saleh, Sisters Cathy (Yoder) DeGraeve, Judy (Yoder) Leone, and Dennis Yoder along with each of their spouses, two nephews and four nieces.

Many of you may have fond memories of Barb. And while some of you may not even know her, we would simply ask that you stop and pray for a moment for the family as we grieve and celebrate Barb's life. Also, if you would pass on this message to anyone that you think may have known Barb and would remember her fondly, we would appreciate that.

We learn more and more each day about the far reach that we all did have on people in our lives, we would enjoy hearing about Barb from others in her circle of life that we've not spoken with before.

May God Bless you all, and thanks for reading.

Visitation for Barb will be from 2:00 - 8:00 p.m. on Friday, February 10, 2023 at the Wasik Funeral Home located at 35259-23 Mile Road in New Baltimore.

The funeral service will be at 11:00 a.m. on Saturday, February 11, 2023 in the funeral home.

“ *I met Barb when I worked with her, and I used to, as she did too- reach out from time to time to talk. She talked about my daughter and asked constantly about how she is doing. Barb made my life brighter. She is really really walker with a ray of sunshine that she shared with every person she came in contact with no matter how brief. I am devastated that I didn't get to go to celebrate her life and that I found out to late. Barb is incredible and I pray for the family, may they celebrate her life and her memories each and every day and let them know that we all cherished the human being and the amazing soul she was!*

“ I met Barb when I began my journey at Joann’s. We had an almost instant clock when we met. She taught me everything there was to know about Joann’s and later helped me become the manager I was while at Joann’s. She was my go to when I needed someone to talk to. I could talk to her about anything and she’s be there. While my family was living in Texas she took on a motherly role for me, that’s just who she was. I will miss her hugs, her laugh, and her infectious smile. She could turn a bad day into a great day in an instant. We lost a very bright beacon and she will truly be missed.

“ I met Barb while she worked at Joanns and I worked in the Viking Dept. It was a pleasure to be working on the same evenings. She was a sweet and pleasant person to be around. I enjoyed talking to her. I don’t know her family, but my prayers are with you. God bless you, and remember the good times you had together. She will be watching over you.

“ I had the honor of having a work relationship with Barb. She was always so appreciative of us and always made us feel so grateful to have lead her during her remote time with Lincare/INR. She was a gem of a person and though I never met her in person, her picture here is just as I had imagined her. Eyes that saw the best in everyone and a gentle smile that warmed your heart. In the coming weeks when thing return to normal,keep the love you had for her in your heart and she will forever be with you. My deepest sympathies,

“ The memories I have of Barb are all good. Even though I didn't spend a lot of time with her in person, she has touched my heart because of her kindness and chats we had together. I felt close to her. She has a way with people that is really special. People like Barb are hard to come by but I see the same in her sweet daughter. My family sends our deepest condolences to my cousin Anthony and children and all of the family. With love, Paulette,Andrew, Jacob and Emily Tomarin
