“ Mom, I love and miss you so very much. I miss the fun stuff we did like digging up the backyard to get you fish pond in. Or the campfires on the front porch. And the wrestling in the living room. But most of all, I miss our late night calls about nothing. They are definitely something I will always cherish. You thought me so much when you first had MS about inner strength and how to show compassion. In your honor I asked Teresa to play a song Bette Midler sings. You are my hero and will always be the "wind beneath my wings". "Thank you, thank you, the wind beneath my wings". God Bless you mom and thankyou for everything. I am so lucky to have you in my heart. I love you and God Bless you and keep you. Kirsten##imported-begin##Kirsten Fiori##imported-end##

“ John, Kevin, Joanne, Kirsten and Joe. So very sorry about your loss. I truly feel blessed that I got to know your mother when I sold her brothers home. What a woman! Not only a wonderful mother, Grandmother and Wife, but a wonderful person. She always greeted me like I was family and that meant so much. St Malachys fair won't be the same without her. She will be missed so much. My thoughts and prayers are with all of you. I will always remember that beautiful smile of hers.##imported-begin##Julie Arbuckle##imported-end##
