“ Jeff and Family: I am deeply sorry for your loss. I can relate to your sorrow at this time and just want to say your Mom will be with you always, as my Mom and Dad are with me. When things get settled please contact me and maybe we can get together to compare notes. I have thought of you often over the years.##imported-begin##Dennis Thibodeau##imported-end##

“ To Cindy and family,
So sorry to see the passing of your mom listed in the paper. I remember in elementary school when our mothers took us to Montgomery Ward's for a fashion class, and then we modeled clothes for them at Universal Mall. Although we've lost contact through the years I wish you well and am again so sorry for your loss. There is such a void in ones life losing a parent. My dad passed 3 years ago, and it just doesn't seem that long. We know they are still with us, and helping us from the other side. My prayers are with you.##imported-begin##Judy (Sanders) Homrocky##imported-end##

“ Mike and all your family:

So very sorry to learn of your mothers passing. Our thoughts and prayers go out to all of you. I remember your Mom & Dad making polish saugage for you to bring in to all of us at work. It was the best I ever had, and it showed the kindness and thoughtfulness of your parents towards other people. May the Lord bless and comfort you.

“ *Dearest Cousins,*

It is with great sadness that we have learned of the passing of Aunt Barbara, our dear aunt and my dearest godmother. We will always remember Aunt Barbara in our prayers. May God take watch over each of you and bless you with His tenderness in this your time of need.

Dear Aunt Barbara,

God has called you home,

Amongst the angels to roam.

Freed of the barriers your illness did bring,

May you with the angels rejoice and sing.

Although we may despair in this our time of sorrow,

May you continue to watch over us for every tomorrow.

All our love,

Don, Monica and Charlie##imported-begin##Don, Monica, and
