“ I am so sorry to learn about Barry's passing. The last time I saw him was many years ago, but despite his own challenges he was still attacking life with the same enthusiasm and positive spirit I remembered from high school. My condolences to Barry's family.

“ So sad to hear of Barry passing away. I met him this past October and we dated for a couple months. He was a very nice man and a true gentleman. My kids all liked him very much and he didnt mind when our movie dates here were disney movies my 4 year old picked out. He even fixed our bathroom faucet and didnt give up when it was being a problem. He was such a gentleman he paused our dates until he could get a different car because he didnt feel right about me driving him . Im just really sad to hear about this. Fly high Barry we will always be thinking about you!
