“ Rochelle and Family,

*Please accept my most sincere sympathy. I worked with Barry @ C-21 AAA during his "brief" tenure as a licensed Realtor. Over time I came to respect Barry and I too, considered him a friend. I knew him to be a hard worker, blessed Father and a Loyal and dedicated Husband. Please take good care and may God soothe your pain of losing a good man.*

*Respectfully yours,*

“ I just want to let you know that you and your son, Joey, have been  
on my mind constantly since Barry's passing. He was a good man  
and he loved you and your son so much. He also was a good friend  
to me. I remember coming over to your house and we would sit in  
your living room and shoot the breeze. I'm so sorry I wasn't able to  
make it for the services--there were circumstances that came up  
and I was not able to fly from Boston to Detroit--just please know  
that you are in my heart, always.

Love,

“ Rochelle Joey, and Family  
It saddens our hearts thinking of Barry leaving us so soon. Remembering he and Rick growing up together as if brothers, remaining the best of friends through the years. He has always been very special to our family. He was always such a considerate, loyal and true person, and will be missed by all who knew him. Our hearts, thoughts and prayers are with you in this time of deep sorrow.

“ Rochelle and Joey,  
I wanted to take a moment to send you heart felt sympathies in this difficult time. Though I did not meet Barry personally, I know that he had to be a terrific person simply based on the legacy he has left. From the sparkle in your eyes when you talk about him to the strength your family has shown over the years. You will both be in our thoughts and prayers in the coming days.##imported-begin##The Passmore Family##imported-end##

“ Dear Aunt Rochelle and Joey,

I send my deepest sympathy to you as you morn the loss of Uncle Barry. I will miss my godfather very much as I know anyone who knew him will. I wish I could attend his funeral but I am currently out of the country. I just want to let you know that if you, and especially Joey, ever need anything please don't hesitate in giving me a call or email. I was working at Gardner White before I came over to Belgium and I remember how all the workers said Uncle Barry was a great manager and they missed working with him. I was so proud to know that he was my godfather! I'm praying for him and his family every day while I'm away.

Love,

*Our hearts go out to both of you. Barry was a one of a kind. No matter how long it had been since you would last see each other he would always greet you with that half smirck and the words "how's it going". His suttleness,compassion and great attitude will continue to live on. He will be missed by each and every person he touched. God Bless you both.*

“ Rochelle and Joey -

*Words can't explain how much our family loved Barry and how much he will be missed. We are all blessed to have known Barry - he was a great husband, father and friend. He had the best sense of humor and always had the biggest smile on his face.*

*I'll never forget the year when Danielle, Barry and I took Joey and Tony trick or treating. We had a great time in spite of the rain.*

*I will also miss the ways in which Barry treated Tony like his own son. He was very good to Tony and I know that Tony loved him and will miss him very much.##imported-begin##Dan and Jessica Garnick##imported-end##*

“ Rochelle and Joey, I will never be able to tell you how much Barry will be missed. Not a day goes by that I will not think of him. He has taught me everything from riding a bike, to driving a car. He was the only one brave enough to try. He will always be another brother, instead of a cousin . Again, We love you both, and will never forget Barry.##imported-begin##kelly, josh, and archie##imported-end##
