“ My mom, Josephine, was Bea's roommate at Shelby Nursing Center for one month. I feel as though I know your family like old friends because of the stories Bea shared with my mom and I. From the minute my mom walked in the room the day she was admitted, Bea was the most welcoming and cheerful. It was as if we were guests in her home. I can't say enough good things about her. She always had a smile on her face and kind an funny words to share. My mom's experience at Shelby was pleasant because of Bea. I'm so sorry of her passing, but thankful to God for the short time we had with her.##imported-begin##Joanne Koss##imported-end##

“ Marilyn,
You have our deepest sympathy. When I think of your Mom, I think of her wonderful smile and her bubbly laugh and how we loved to hear her tease Mahoney!
Ed told me how quickly and how peacefully she died. I am so glad that she did not linger and suffer. We'll be thinking of you and your family and you'll all be in my prayers. Love, Janet and John##imported-begin##John and Janet Duke##imported-end##

“ Dear Pat and family, a dear sweet person has left us to join our other loved ones in heaven. When we think back on the vivacious person she was, we know we were blessed to have known her. I imagine the celebration in heaven with her and Aunt Sophie and Uncle Peter and my Mom and Elaine. They will have so much to share with one another.
I wish I could be there to "celebrate her life" in her going away service.
You are in my prayers as well as her and the rest of the family.##imported-begin##Joyce (Rochowiak) Skaradzinski##imported-end##

“ Beatrice brought so much joy to me and a lot of other people. Her personality would always light up a room and that loving warming smile of hers was so captivating. I truly will miss her everyday of my life because of how she became not only my friend but my "Mama B" in Detroit. I know words can not lessen the pain of her loss for you and your family, but I believe the memories of her life and devotion to you will continue on forever. I hope you and the family, will find peace in your life with her passing as time goes bye.

“ Dear Uncle Pat,
Marilyn, Dan, Melissa, Michael, Tim, Paula, and Patrick,
My heartfelt sympathy and love to you all as you grieve and suffer
losing Aunt Bea. I'm going to cherish the many stories she told me,
and I'll think of her laughter. But, my favorite Aunt Bea stories are
about meeting the love of her life, Uncle Pat, and those precious
grandchildren. Marilyn and Tim, you were her gems. She lives
forever, a new angel for all of us.
With my love always, and prayers for you now,
Bridget###imported-begin##Bridget Capo###imported-end##
