“ Don, our prayers and condolences go out to you and the rest of your family for the loss of your beloved Bea. I enjoyed working for you during the early years at Variety and remember all the wonderful functions that you and Bea hosted for your employees. In the following years after leaving Variety, Roberta and I especially remember all the many times we would bump in to you and Bea at restaraunts, or the mall and always remarked what a kind,generous and loving lady Bea always was.
