“ *Beauford was a salt of the earth guy. I met him when I was 12 years old, way back in 1974. He was always so kind, funny and hard working. They don't make guys like him anymore. I hope the many good memories his family has of him, bring them some comfort in this very sad time. Whenever I think of him, I smile. Love and hugs to the Greene family, Barb (Jenkins) Mathews*
