“ *Benita was a dear friend and will truly be missed. We worked together for many years and faced many challenges along the way. She always kept a smile on her face and found humor to make the day go by. It's going to be different at work without her and I know she is smiling down on us as we try to continue in her absence. My condolences to the family.* ”

“ *My deepest condolences to your family. Benita was a Sweetheart, she was my Coordinator, my Confidant, most of all Benita was my Friend. When she gave you a Big Hug and said "I Love you", you knew she ment it from the Heart. I will miss her smile, the laughter, our talks, sharing fashion tips and of course as she use to call me her personal shopper. Phillip, her face would light up every time she spoke of you. Thank you and Lisa for sharing Benita with me/us. I Thank God for guiding our path to cross. R.I.Paradise Benita your now dancing with the angels. April Howard*
