“ *Last night I had a crazy dream
A wish was granted just for me,
It could be for anything
I didn't ask for money
Or a mansion in Malibu
I simply wished , for one more day with you*

*One more time
One more sunset, maybe I'd be satisfied
But then again
I know what it would do
Leave me wishing still for one more day with you.*

*First thing I'd do, is pray for time to crawl
Then I'd unplug the telephone
And keep the tv off
I'd hold you every second
Say a million I love you's
That's what I'd do. With one more day with you.##imported-

“ We were all so fortunate to have the greatest childhood memories growing up with Ben as our next door neighbor. Playing cops and robbers, pool parties, sleep overs, riding bikes to the park, and having a lemonade stand on our driveway - all such amazing memories. We miss Ben so much but will keep his memory alive for the rest of our lives. Although heartbroken, we look forward to someday reuniting with Ben in Heaven where we will share laughs once again. Your family is in our prayers.##imported-begin##Holly, Kim and Chris Hesse##imported-end##
